

Size & Printing Instructions for EFIS/One Bezel Image.

1. Must be printed on legal size paper. (8.5" X 14")
2. Print this image without any scaling options.
3. Turn off any "fit to page" settings.
4. Final printed measurement should be 10.75 Wide by 7.89" high.
5. Import behind the panel allow 0.125" extra room on the top, bottom and right side of the screen.

On the LEFT SIDE of the screen allow an extra 1" behind the panel.

Just take a regular 8.5" by 11" piece of paper and add 1" to the left side and you have the size needed behind the panel.
